## TESTIMONIALS

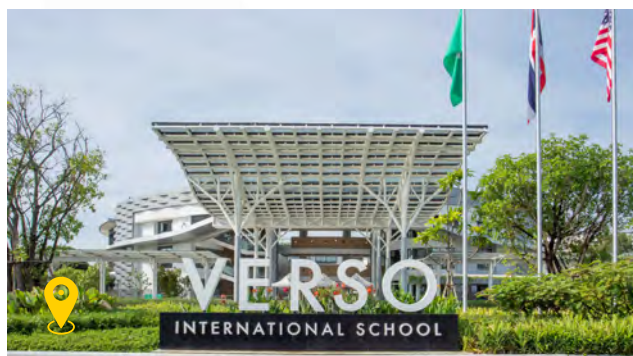

*"If you came to be inspired, you left satisfied. If you came to learn new, exciting ways to embed tech in your practice, you left motivated. If you came to deepen relationships, you left fulfilled."*

*"The 21CL Conference is a meeting of enthusiastic and knowledgeable educators who are passionate about exploring best practices for teaching and learning in today's tech-driven world. I always feel re-energised after the weekend spent connecting with other educators and collecting new activities and teaching ideas for my own classroom."*

### **Official Hotel** **Eastin Thana City Golf Resort** **Bangkok**

Located within the grounds of the Thana City Country Club, this resort style hotel contains swimming pools, an 18 hole golf course, plus various dining options. We strongly recommend participants stay in the official hotel as bussing will be provided if you book via this conference site.

### **Location** **VERSO International School** **Bangkok, Thailand**

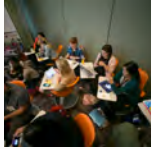

VERSO is an innovative and design-driven international school where teachers are known as learning designers, students are taught in mixed-age cohorts, and 70% of the school day is dedicated to project-based learning. VERSO's innovative learning spaces will provide an inspiring context for the conference.
